

**European Hotels Fitted  
with a Fire Sprinkler System**

This is a preliminary list of European hotels fitted with a fire sprinkler system. It is not complete and the omission of any hotel that is fitted with a fire sprinkler system does not imply any comment. We would welcome information about other hotels that are also fitted with fire sprinkler systems, so as to make this list as complete and as useful as possible. Please note that while the European Fire Sprinkler Network aims to provide accurate information it cannot assume responsibility for any errors in this list. For current information contact the hotel. If you are aware of a sprinklered hotel not on this list or wish to make a correction please send the details to:
