What's New?
We continue to update ApprovalGuide with new features to enhance your experience.

28-JUL-2023

Bug fix - restored ability to select multiple facet selections

14-JUL-2023

Bug fixes - removed certificate information on single product certificates; fixed missing bullets in lists within certificates; fixed filter dropdown disappearance in certain scenarios

09-JUN-2023

Certificate related view - selected product will appear as the first product in the Annex of the certificate view.
